invites you to

**समाकलन : Ayush Integration into Modern Medicine in Health and
Disease and Concept Note Development for Ayush Research**

On OCTOBER 17-18, 2024

‘समाकलन’ meaning integration in Sanskrit, reflects our mission to understand and unite the wisdom of AYUSH with modern medicine. This symposium brings together experts from AYUSH systems of medicine and modern evidence-based medicine to share knowledge and address integration challenges. Following this, a Concept Note Development Workshop, guided by clinicians, researchers and statisticians, will help young researchers transform their ideas into structured concept notes, laying the groundwork for capacity building, developing human resource and future research in integrative healthcare.

Keynote Speakers

1. Dr. Bhushan Patwardhan
National Research Professor-AYUSH
2. Dr. Sudhir Krishna
